We are looking forward to meeting you and hope the following details will be helpful.

Emergency Contact

We shall be asking you to turn mobile phones off whilst you are with us, collecting messages at refreshment breaks. Your family can contact you via **01737 822484** or **01737 822002** in the event of a domestic emergency.

Travel

Car: There is plenty of parking here. There are travel directions on our website, www.prioryevents.com. Put the mouse over the "Enquiries" drop down menu, select "Find Us" and click on the second link for a printable map. The top link will take you to a mapping service.

Train: If you are travelling by train, take a taxi by calling Road Runners (opposite the station) on 01737 766999 or there is a taxi rank outside the station. Cost approx £4 per car.

Clothing

Please bring a towel and change of clothes, just in case you get in the way of some water.

Please wear flat-heeled outdoor footwear (no open toes) or boots and come sensibly dressed for outdoor activities, bearing in mind the weather on the day. It is always advisable to have a wind and waterproof outer layer and an extra fleece or pullover, if only to guarantee that the sun shines! We supply waterproofs if you do not have them. If it is hot and sunny, then sunscreens and sunglasses would be a good idea.

Health & Safety

Please come to the Hospitality Barn to book in and again to book out before you leave. You will be required to sign a health, fitness and no alcohol declaration before shooting and driving activities. Should you have a health condition, please make our staff aware of it on the day. If you feel unable to continue an activity for whatever reason, you may withdraw at any time without penalty.
